Anti-Fog Cleaning Cloth

(MPG-HC-AF-CLOTH)

The Anti-Fog special cloth prevents lenses from fogging up when wearing masks and during temperature differences in the cold season.

- Reclosable plastic cover
- Can be used up to 200 times
- Effect lasts 8 - 12 hours after application

WARNINGS

- Be careful not to expose the Anti-fog cloth to water, as moisture and humidity will quickly reduce the effectiveness of the cloth
- Do not wash
- Keep away from children
- To avoid scratches, clean your glasses before use
- Size: 17 x 18 cm, 25 pcs. / Packing

Tested according to REACH standards and Proposition 65
